Spring 2010 Newsletter

**Mission: To provide the highest quality of care to our Elders and facilitate opportunities to enhance education, health, and wellness for our community and those we serve**

*Welcome to the 6<sup>th</sup> edition!*

You are valuable to us, and we want to keep in touch. If you are a past or present elder, neighbor, family, friend, staff, volunteer, board member, or donor, you will continue to receive this newsletter unless you tell us otherwise.

**PLEASE SEND US YOUR EMAIL ADDRESS!!!**

This newsletter is published only twice each year. If you want to keep up-to-date on the latest news and activities, send a quick message to [bchccres@rural-com.com](mailto:bchccres@rural-com.com) to be added to the email list.

## Breakfast Time is Open Dining

When do you get up in the morning?  
When do you eat breakfast?  
What do you eat?

When you are at home, you are able to make these decisions for yourself. But in many long-term care facilities, elders are told when to get up, when to eat, and what to eat.

**BENT COUNTY HEALTHCARE CENTER IS DIFFERENT!!!**

No matter what neighborhood your loved one calls home, they can sleep as late as they want, have breakfast at their leisure and choose what to eat. It may seem silly, but it is important for our elders and your loved ones.

**Just ask them!!**

## Prairie View Village

Candi Patton, the new Coordinator at Prairie View, has brought her excitement and energy to the Center. She has been helping the PVV neighbors organize new and fun activities over the last several months including going out to eat, shopping, hosting several parties and starting a group called **YAHTZEE MONDAYS at 2 pm**. They also have a regular exercise group with new equipment and are planning a summer intergenerational sleep over with middle school students in June. This place is hopping!!

Above- PVV and ADS folks showing off their new exercise equipment. Exercise is daily at 10:30

**To find out more about what is offered at Prairie View Village, call Candi at (719)456-1993 or visit us on the web at [www.bentcountyhealthcare.com](http://www.bentcountyhealthcare.com)**

The Red Hat Ladies were guests at Prairie View Village Assisted Living. About 40 people joined the fun and we have never seen so many red hats in one place. Thank you to Anna Pointon who is a Red Hat member for sharing your red hats with all those in Prairie View. It was a great event we hope to continue and make a tradition. Thanks to all who came!

## Adult Day Service

**For the 2nd year in a row, ADS has had great success at the Harvest Show winning lots of ribbons. This is a fun day the ladies plan and anticipate all year and a great way to show off their crafts. Next year the PVV Neighbors will be competing as well.**

**The Adult Day Program is a tightly knit group of friends who are able to spend the day together and still return home at night. The day is filled with engaging activities, healthy meals, and lots of fun. Transportation to the program is provided for those living in Bent County.**

**Call Candi at (719) 456-1993 for more information or to enroll.**

# Kountry Kids

Above- Alan having fun in the infant room

Welcome Ms. Sonia Frederick- toddler teacher!!!

Congratulations Ms. Alice on your new baby girl!!

Kountry Kids just finished with their Qualistar rating. This is a rigorous assessment of the quality of early childhood education services the Center provides. It is a relief to have the assessment complete and the results will be back in 6 weeks.

All the classrooms are full and VERY busy. The children have been learning numbers, colors, name recognition and sign language!! Some children are working hard getting ready for kindergarten next year while others are learning to walk and talk.

The center has received a grant for more storage space in the classrooms, new playground equipment, and a new keyless entry system for the back door. These projects will improve the quality and safety of the center. Stop by to see!

# Neighborhood News.....

## The Healing Garden

**What We Do--** The Healing Garden is a special place for people who are recovering from joint replacement surgeries, injuries or illness. The typical stay at the Healing Garden is 4-6 weeks. The Healing Garden provides excellent care during the recovery process including in-house therapy. Our goal is to help elders return to their prior level of functioning and return home.

**What's New—** We had a wonderful time at our Christmas party this year. The entertainment was from the elementary choir, the Baptist choir and Santa! We always have a great time dancing and eating. We are looking forward to spring when the garden starts growing.

## Picketwire Avenue & Santa Fe Place

**What We Do--** Picketwire Avenue is "home" to elders requiring long-term care. We help each elder maintain an optimal level of health and independence.

**What's New—** We have been up to lots of fun in our neighborhood. We had a New Year's Eve pajama party complete with fireworks, drinks and smores.

## Memory Lane

**What We Do--** We provide specialized care for elders with Alzheimer's and other memory loss diseases.

**What's New—**This neighborhood has a new activities person just for them. This has been great for our elders who are active and mobile. New activities have been dominoes, ring toss, bowling, reading and many more. We have seen a decrease in falls and injuries and an increase in laughing and smiling.

## Say Hello to Our Newest Furry Friend!!

This big handsome fellow is named Sandy. He belongs to Bob and Marian Branson. His house is right outside their window. They can watch him play outside and he can see when they get up each morning. He is a nice addition to our Memory Lane neighborhood.

## Don't' Forget Midnight

Blackie is the big black bunny that lives near the big playground out front. He has a new friend who lovingly feeds him every morning with scraps from the kitchen. Do you think he's spoiled? Nah!!!

## Requesting Donations!!!

Our programs are looking for donations of assorted items. Do you have any of these things lying around your house that you would be willing to donate to the HealthCare Center?

- ★ Children's books
- ★ Children's clothing- infant & toddler sizes
- ★ Patio furniture
- ★ Garden pots
- ★ Garden seeds
- ★ Garden tools
- ★ Formal dresses in larger sizes
- ★ Toiletries (shampoo, soap, conditioner, lotion)
- ★ Quilt top needing quilted & finished

## Have Mending?

Mending is available for elders and their families by two volunteers- JoAnne Miller and Zola Six. Mending is picked up regularly. If you have a mending project, mark the item with the elder's name and leave it with the laundry. Hems, buttons, and tears are no problem for these wonderful ladies!!!

## Volunteers Needed

# Volunteers!

Anyone who has time on their hands and wants to do something worthwhile should consider volunteering.

***The only limit is your imagination!***

All current volunteers who have ideas for new activities or anyone interested in volunteering should give Misty a call at (719) 456-1340.

## Who's in Charge?

The ELDERS of course!!! This is their home. We get the privilege of working for them. Of course they get a voice in what happens in their home.

**Elder Council meets the 1<sup>st</sup> Tuesday of every month.**

## Off Road Warriors??

Winter snows have brought muddy roads and the chance for lots of fun--- Just ask Herman, Bill, and David.

Why is your pickup so dirty? Ooooh, you've been playing in the mud. Pretty cool that mud boggin' is part of your job!!! Looks like Herman had fun and that's what counts.

Love those smiles boys!

## Kings and Queens Galore!!!

Erva Thaxton and Maxine Freemyer were elected to represent BCHCC as Silver King and Queen at the Arkansas Valley Fair in August 2009. Some contestants performed talents such as singing and dancing. Maxine handed the judges some of her fresh popped popcorn she is famous for. Erva volunteered at the golf course for 16 years so his gift to the judges was paper weights made of golf balls on tees. Our home was proud of our two representatives. Thanks to all who went and supported the Silver King and Queen of BCHCC and thanks to the family members who worked frantically to get the story boards ready.

Manual and Donna were the King and Queen at our recent Valentine Day celebration. Congratulations to all our royalty!!!

## Garden Sanctuary Update

April showers bring May flowers... and benches, and railing, and a waterfall and new plants, and. . .

Our garden sanctuary is nearly complete. The finishing touches will be added this spring when the weather warms. The elders are so excited to see what it looks like when the plants start blooming.

The garden has been a wonderful addition to our home and something we are very proud of. The crew of Southside Lawn and Landscaping in Pueblo did a fantastic job and worked during some of the worst winter weather. They became part of our family and we hope to have them back someday.

There is still time to donate to the project "IN HONOR OF" your loved one. Please use the donation form at the end of this newsletter or contact Alisha at (719) 456-0106.
